Hello, Community Partner,

We've got some exciting news – our seed library is flourishing! When we launched our seed library at the Stow-Munroe Falls Public Library last spring, we wanted to offer a simple and fun way for kids and families to dive into gardening. Well, it turned out to be a massive hit! Over 200 happy families "borrowed" seeds, and the joy of gardening spread throughout our community. Now, we're dreaming bigger and aiming to expand our seed library to keep up with the enthusiasm this year.

But here's where we need a bit of magic - your support. Attached to this letter, you'll find a sponsorship and donation form that lays out various ways you can help. Whether you're able to sponsor or donate, your contribution will help us extend the growing season and make an even bigger impact in our community.

If you have any questions or need more details, don't hesitate to reach out to me at (330) 688-3295 ext. 1002 or etroyer@smfpl.org. Your support means the world to us, and we can't wait to see what we can grow together this year!

Thank you so much for considering this opportunity to make a difference.

Warmest regards,

Emily Troyer

Development Officer, Stow-Munroe Falls Public Library
